Pierson, VOP at Homecoming

The Southern Missionary College Alumni Association will have one of its most outstanding Alumni Homecomings on the weekend of October 17 and 18, according to Alumni President Ellsworth McKee.

Speaker for the Sabbath services at 8:30 and 11:20 will be Elder Robert H. Pierson, president of the General Conference of Seventh-day Adventists, Washington, D.C. He, no doubt, will give a report on the recent General Conference session, held in Vienna, Austria. He is a former SMC student.

Appearing with Elder Pierson will be the Voice of Prophecy Quartet. They will also sing at the Friday night service and on Sabbath afternoon. The quartet members are: John Ramsey, '69, first tenor; Jerry Patton, second tenor; Jack Veazey, baritone; Jim McClintock, '56, bass. Veazey is a former student of SMC.

The Friday night speaker will be Elder T. M. Ashlock, '50, associate director of the General Conference Sabbath School Department. He will direct his remarks to the young people who would like to serve in the Mission Field. Alumni who have gone to the Mission Field will be honored, and the offering will go to SMC's Nicaragua Mission.

Featured on the Saturday night program will be Marilyn Dillow Cotton and Larry Blackwell, both well known former students, popular for their vocal talents.

Several quartets from previous years will perform and one highlight will be a short, first-hand, informative, whimsical, and humorous history of SMC, given by Charles Fleming, long-time business manager of SMC.

President McKee says that he hopes all alumni who can possibly come will be present for one of the greatest weekends in the history of SMC.

The enrollment at the College is so heavy this year that quarters are not available, but the Alumni Office will be glad to reserve rooms in the community or at nearby motels upon request.
